from **9,44 EUR**

Item no.: 382101
shipping weight: 0.80 kg
Manufacturer: Maclean Brackets

Product Description

A solid steel antenna mast is perfect for mounting all types of antennas, surveillance cameras, sensors, etc. The mast has a taper on one side, which makes it possible to attach another mast and thus increase the height. Thanks to its galvanised steel construction, the mast is resistant to corrosion and other chemical reactions that occur in the environment. Specification- Manufacturer: Maclean- Model: MCTV-931- Material: galvanised steel- Solid workmanship- Height: 50 cm- Diameter: 40 mm- Wall thickness: 1.5 mm- Can be combined Set contains- Maclean antenna mast, foldable, 40*1.5*500, MCTV-931 Features- Galvanised steel- Solid workmanship- Diameter: 40 mm- Height: 50 cm- Wall thickness: 1.5 mm- Can be combined
