Product Description

ALFA AOA-2458-59-TF - Dual-Band Omni Antenna, N (f) Connector

Alfa AOA-2458-59-TF is a new high-quality, low-cost dual-band omni-directional Wi-Fi antenna with an N female connector. The gain is 9 dBi for 5 GHz and 5 dBi for 2.4 GHz. It has a weather proof fiber glass casing. It is a great antenna for boat or RV use. It does not come with a mounting bracket.

With its N female connector, it can be connected directly to a variety of outdoor Wi-Fi products including Alfa's Tube series, the Ubiquiti Bullet series, and the Mikrotik Groove. No bracket is needed when connecting directly to a product like Alfa's Tube or Ubiquiti's Bullet, as those products are specifically designed for mounting themselves.

- Model: AOA-2458-59-TF
- Frequency: 2.4/5 GHz dual-band
- VSWR: 2.0
- Gain: 9 dBi (5 GHz), 5 dBi (2.4 GHz)
- Polarization: Vertical
- Power handling: 50 Watts
- Impedance: 50 ohm
- Connector: N female
- Height: 10.2 inches including connector (260 mm)
