Manufacturer: TP-LINK

Product Description

VIGI C240(4mm) is a 4 megapixel outdoor DOME camera by TP-Link with a 4 mm fixed lens, white light and IR illumination up to a distance of 30 m and Ethernet port with PoE support. The camera has a maximum resolution of 2560 x 1440 px (at 30 fps), viewing angle of 80°, 2 independent streams, IP67 protection, digital WDR sensor, audio microphone, microSD card slot (up to 256 GB), ONVIF support and codec H. 264(+) and H.265(+). Thanks to its greater sensitivity, the camera supports the so-called Full-Color color image throughout the night. The camera can be powered via a 12V DC connector, or via an Ethernet cable via 802.3af/at PoE. Key features- 4MP resolution (2560 x 1440 px), 30 fps- 24h Full-Color - Get 24-hour color detail, even in pitch-dark conditions- Classification of people and vehicles and Smart detection- Built-in audio microphone- High physical resistance - IK10 against vandals and IP67 against water- H.265+ codec support- More types of power supply - 802.3af/at PoE and 12V DC connector- Flexible Management and Storage - Take full control of your security with four management methods: Web UI, NVR UI, VIGI App and VIGI Security Manager. Local storage is available for each method, as well as integrated storage with an SD card slot (up to 256 GB). Package contents- Device- Watertight cable extension- Mounting accessories
